Concealed Fixing Method

Please note that fixings are not included with this device as the fixing method will depend on the structure onto which the rail is to be secured. If fitting to a concrete or masonry wall, make sure that good quality plugs and screws are used. Do not fix onto a plasterboard wall unless backing timbers or suitable alternative of sufficient strength is used to ensure a safe and adequate assembly.

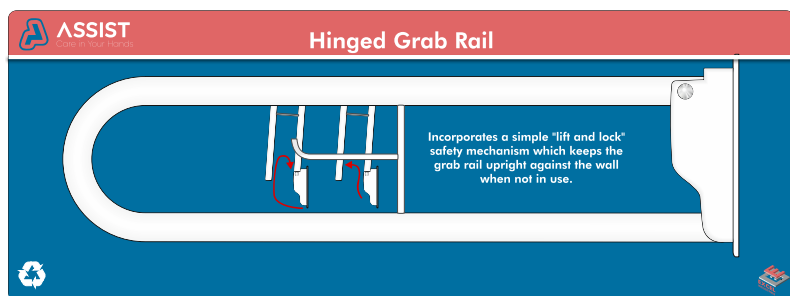

These Rails are NOT suitable for use inside Shower Areas

Raised Toilet Seats (Universal Fitting)

Contoured and comfortable plastic Toilet Seat & Cover which will increase the height of your existing Pan by approximately 50mm (2") or 100mm (4") - depending on the height chosen. Featuring front and rear recesses to facilitate personal hygiene. Includes a Contoured Cover which, if necessary, may be easily removed. Maximum user weight: 190Kg/30 Stone.

- **Simple to install** – no tools are required. It simply sits on top of existing WC Pan and is fixed by tightening a plastic buffered bracket on each side. Can be quickly and effortlessly fitted and removed as required.

Stock Code	Barcode	Package Type & Size (cm)		€
ASBM	5391269758364	Box	60 x 40	35.40

Comfortable

Durable

Soft

Non-slip

- **No interruption** – in the majority of applications, it will not be necessary to remove the existing Seat & Cover.
- **Instant solution** – no need to change your existing WC Pan for another kind.
- **Hygienic** – made of a durable and high sheen finish moulded plastic which requires only a wipe of a damp cloth and which is not adversely affected by the use of domestic household chemical cleaners.
